

## **AMA Salutes Volunteers**

April 15 – 25 is proclaimed as National Volunteer Week. On behalf of the Argentia Management Authority (AMA), we would like to salute all volunteers in all walks of life, all stages and all ages who have the desire to make a difference in their community, in their own life by giving of their time and expertise. In particular, we would like to thank our Chairperson, Harvey Mercer and our Board of Directors for their great efforts in steering our organization. We realize not many appreciate the efforts of volunteers; however, you can be justifiably proud of the AMA's accomplishments and your input into our important decisions and we look forward to working together in the future.

Congratulations to all of our volunteers and please take time to acknowledge their important and essential contribution to our communities.
