

HPI '08 Conference & Exhibition September 23 – 25, 2008

The Argentia Management Authority (AMA) will be attending the Hydromet Participation Initiative (HPI '08) at the Unity Parc Arena in the Town of Placentia on Wednesday, September 24, 2008.

HPI is the abbreviation for Hydromet Participation Initiative, a program of activities being delivered by Argentia Area Chamber of Commerce and its partners to enhance business participation in elements of the Voisey's Bay Development in the area. The AMA is proud to be a sponsor again for this worthwhile exhibition and trade show. For more information visit www.placentiachamber.org.

The AMA team would like to invite you to drop by our Booth #24 to discuss your business development and/or investment opportunities in projects such as Vale Inco's Commercial Nickel Processing Facility. Please visit our website at www.argentia.ca. See you at the conference.
