

NEWS RELEASE

AMA Donates to Three Charities

Press Release - September 16, 2009

For Immediate Release

Argentia, NL – AMA Staff Donation - The employees of the Argentia Management Authority (AMA) established a staff volunteer donation fund with the AMA organization participating in this activity by matching “dollar-for-dollar” and raising \$1,872.00. This year, we agreed to divide the fund equally and distribute the donation to the following:

1. Children’s Wish Foundation of Canada – Newfoundland & Labrador Chapter
2. Canadian Cancer Society - AMA Circle of Life Relay Team
3. Meghynn Norman – Double Lung Transplant Patient

We believe that community involvement assists in championing all causes of charitable fundraisers/organizations, and is a fitting testimony of the AMA’s belief in supporting worthwhile community causes. We are certainly proud to be able to contribute to such meaningful fundraising initiatives.
