Wind Project Inc. to hold Presentation in Placentia
Press Release - February 10, 2005

For Immediate Release
February 10, 2005

The Argentia Management Authority (AMA) is pleased to announce that a presentation will be given by Wind Project Inc. (WPI) to the general public at the Royal Canadian Legion Hall, in the Town of Placentia on Monday, February 28, 2005 at 7:30 p.m. In their presentation, the proponents, Mr. Helge Wittholz & Mr. Frank Weber, will provide an overview of the company, outline the existing opportunity and the supports required to capitalize on this venture. The forum will also seek the support from the various government agencies, development groups and voluntary organizations regarding the use of wind as an alternative energy source.

The general public, and local businesses who are interested in finding out more about this exciting initiative that will involve the installation of a wind farm near Pearce Peak in the Argentia Backland, are welcomed and indeed, encouraged to attend the presentation. The WPI representatives are looking forward to meeting with you, and discussing any questions, or comments that you have concerning the project.

Mr. Harvey Mercer, Chairperson of the AMA said, "Overall, this development initiative matches well with the strategic priorities of the AMA, and our vision for the development of the Argentia site as a centre for both industrial and commercial activities within the Town of Placentia, and the surrounding communities."

If you have any questions, or suggestions in regard to the marketing and promotion of Argentia, please do not hesitate to visit the AMA office, telephone 709-227-5502, or email us at argentiainfo@argentia.ca.
